LINDA WIDEMAN

Dear Linda,  
May you receive  
all the happiness you  
deserve and all the good  
luck in the world.  
Mary E. Ingold

Linda,  
It certainly  
was a great  
knowing you this  
year, I hope we  
can always be friends.  
Ann Green

Linda,  
Best of luck  
to a wonderful  
girl. It was  
fabulous being  
with you this  
year.  
Judy

Linda,  
In spite of every  
thing, this has  
been a great year  
and I owe part of  
its greatness to  
you. Good luck!  
Jelen

Linda,  
Best of luck  
as a starter. It  
was a lot of fun  
knowing you in the  
Juno play. Now too,  
for that matter.  
John Reel's friendship

Linda  
Best wishes and  
Luck for all forthcoming  
years and may you  
always be as nice as

The best of  
luck to a real  
great gal  
D'you see

Linda -  
I'm not  
ill-tempered.  
It was just sh.  
Hostess  
Love,  
Dabbie

You are now

and relaxes

MR. BILL R. LAFFERTY

Mr. Lafferty, principal of Jefferson since 1961, served as vice principal for two years and as dean of boys before assuming the duties of his present position last year.

A man of diverse interests, Mr. Lafferty collects Early American crystal and Civil War books. He maintains membership in the Kennel Club and collects classical and semi-classical records.

Interested in his own professional growth, Mr. Lafferty is a member of the National Education Association, Texas State Teachers Association, Texas Association of School Administrators, National Association of Secondary School Principals, San Antonio Administrators' Association, and Phi Delta Kappa.

During World War II, Mr. Lafferty prepared an analysis of Far Eastern Affairs for the Air Force and later worked as the planning and scheduling coordinator for the Atomic Energy Commission.

Mr. Lafferty finds time to be present at school functions and to act as a friend to the numbers of high school students who occupy so much of his time and seek his advice.

Mr. Lafferty holds a B.S. degree from the University of Texas and a M.Ed. from Trinity University.

# Advise, Admonish, and Administer

MR. BOB CHAMBERS

An ex-Mustang with letters in basketball and football, Mr Bob Chambers has completed his first year as dean of boys. Previously he has served Jefferson as a Pony football coach and a teacher of algebra and biology. Before assuming duties as dean of boys, he was principal of Harry Rogers Junior High.

Mr. Chambers holds membership in the Texas State Teachers Association, National Education Association, and Administrators and Supervisors Association of the San Antonio Independent School District.

Guiding and helping boys with firmness and justice, he has gained the respect of faculty and students alike.

Mr. Chambers holds B.S. and M.A. degrees from Trinity University.

She never raises her voice nor loses her smile, but we know she means business.

The feminine population would guess immediately that Mrs. Payton Kennedy, dean of girls, was the subject of discussion.

Since 1952 Mrs. Payton Kennedy has served as dean of girls. Before coming to Jefferson she earned certificates of counselor, teacher, and administrator. Mrs. Payton Kennedy has been principal of Fort Sam Houston Kindergarten and president of the San Antonio Association of Women Deans and Counselors.

Mrs. Kennedy wrote and taught the course of study for family life education to more than seven thousand students in five San Antonio schools.

Mrs. Kennedy holds memberships in the National Education Association, Texas State Teachers Association, Mental Health Association, and Supervisor's Association.

Always able to offer guidance, she takes a personal interest in the problems of students.

She holds a B.A. degree from Trinity University and an M.A. from Southwest Texas State College.

# School Board Meets Local Needs

MR. THOMAS B. PORTWOOD  
Superintendent of Schools

MR. OSCAR E. MILLER  
Assistant Superintendent of  
Secondary Schools

Seven members of the San Antonio Independent School District allocate about two hundred sixty dollars for each student each year. The wisdom with which this money has been spent has kept San Antonio schools running efficiently. Thomas Jefferson High, along with the other San Antonio schools, ranks high academically. To achieve its high purposes, the Board meets regularly on the second and fourth Wednesdays of each month.

Members of the Board are Mr. James G. Kizer, presi-

dent; Mr. L. E. Fite, vice-president; Mr. Ralph R. Cardenas, secretary; Mrs. W. Hayden Miller, assistant secretary; Mrs. Claude B. Aniol, Mr. George C. Guthrie, and Mr. Thomas A. Murrah.

Mr. Thomas B. Portwood, superintendent of schools, and Mr. Oscar E. Miller, assistant superintendent of secondary schools, meet with the Board to present the needs of the 101 schools in the system.

(L. to R.) Mr. Thomas A. Murrah, Mrs. Claude B. Aniol, Mr. L. E. Fite, Mr. James G. Kizer, Mr. George C. Guthrie, Mr. Ralph R. Cardenas, Mrs. W. Hayden Miller, and Mr. Oscar E. Miller.

The dream-come-true night of graduation for the seniors is even more delightful because of a party sponsored by the P.T.A. Money used for this event comes from their only money-making project the Talent Show in February.

Completing the Language Lab by buying 15 more units was another accomplishment of the 1962 P.T.A.

The October meeting was a night open house so that parents could become better acquainted with teachers.

The P.T.A. under the guidance of Mrs. Wilma Jennings, has invested heavily in the youth of Jefferson in carrying out this year's theme, "Youth—Our Investment in Democracy."

## Talks for Parents - Teachers

Honoring the "founding mothers," the P.T.A. Founders Day Luncheon celebrated the 50th anniversary of the Fifth District. School Board members, administrators, and all past presidents were guests of honor. Luncheon guests numbered about 145.

# They Take Good Care of All of Us

Salads, sandwiches and desserts that keep the cafeteria running smoothly are prepared by the Jefferson Cafeteria workers Mesdames Willette Botello, Nadine Ennis, Gladys Little, Elizabeth Gormley, Kathryn Rodriguez, Evangelina Guajardo, and Violet Ferguson report at 7 A.M. to slice, chop, mix, and prepare the food.

Keeping the building clean and the campus beautiful require the dedication to this school that all true Jeffites feel. Mr. Ernest Bankhead and Mr. Oscar Metzger enjoy their jobs as head custodian and gardener.

A well-run school depends not only on the administrators but also on a good maintenance crew. Mr. Ernest Bankhead, head custodian, eight assistants, and two maids provide the care and upkeep of the building. Their jobs continue the year round when summer school is held at Jefferson.

The 33-acre campus with its profusion of seasonal flowers and rolling green lawn is kept attractive by Mr. Oscar Metzger, head gardener, and his assistant. Mr. Metzger, better known as "Shorty," seems as much a part of Jefferson as the flowers he cares for.

Providing students with hot lunches, salads, sandwiches, and desserts is a day-long process for cafeteria workers. Everyday they prepare about 50 dozen salads, and 400 desserts. The Jefferson family with its 2500 children has dozens of adults who, like their parents, love them and take care of them.

"The CHARM of '62'???"

This was the first shot since the sports editors of the *Monticello*. They, too, suggest that Jefferson's school "may be able to make a few bottles and send them to the school board. Not since they themselves have been a party to it the first in eight years."

But, despite all the criticism, there is the *Journal of Law* which does it well, neatly and perfectly.

There are the "lost letters" of Jefferson which exist only in our students' minds. These are the intangible qualities which we hope to present to the student body in a tangible manner through the pages of this yearbook.

The thrill of growing faces after a victorious game or the disquieting glimmer in the tears of defeat—the working of the owners as students prepare for the Texas Association of Student Councils Convention held at Jett in March—the painted clouds of evening when the sun splashes the towers with its scarlet rays—the pride that emboldens each Jettite teen as he stands to sing: "There is a school we all love well . . ."

These are the charms of Jefferson, 1962, everpresent, yet not often noticed."

# And Everywhere the People:

Their voices project from the stage, echo in the halls, and buzz gossip in the Cafeteria. They hurry up the steps to beat the bell—and wait in line for tickets, for registration and for a quick lunch. They study during the five-day week and anticipate a prom in a glistening Gym. Seniors collect note cards for term papers. Juniors prepare for the Junior senior Prom. And the sophomores remained confused. Their applause rings in the darkened auditorium, from the bleachers, and on the open field. Their eyes watch a bouncing basketball, a waving flash of red and blue streamers, and the slender fingers of the clock approaching 3:30. They bow their heads in prayer, stand at attention to sing the Anthem, and bang on stubborn lockers. And they are everywhere. They are the people of Jefferson High School.

L. and Mustang from 1910 at  
the Ritz, 1910 game

I have been thinking about you very much lately and wondering how you are getting along. I hope you are well and happy. I am still working hard at my job, but I always find time to think of my friends.

1. The first of these is the fact that the  
 2. 1940s and 1950s were a period of rapid  
 3. industrialization and urbanization in the  
 4. United States. This led to a significant  
 5. increase in the number of people living in  
 6. cities and suburbs, and a corresponding  
 7. decline in the rural population. This  
 8. shift in population led to a number of  
 9. changes in the way that land was used,  
 10. including the construction of highways and  
 11. the development of new industries.

# We Are Colorful Characters

Let's make a colorful character for each of us.  
We'll use the colors of the rainbow to make a  
character that is as colorful as we are.

Three years of planning and preparation for the Fredrick W. L. band  
exceeded all expectations for the winter program in Quilt and  
Sash making. The band was a great success in the  
old tradition of the band at the November  
concert.

Yellow orange flames flickering in the black night ended festivities at the Senior Prom. Guest entered around the blazing bonfire to sing ballads and took songs. Held at Camp A. War in early November the picnic for seniors and guests initiated the year's social activities.

Campaigning for Student Council president ran true to form: the halls were crowded with enthusiastic Jeffites on the first morning of elections, each trying to persuade another that his candidate was best. During the election assembly, candidates were introduced to the student body by an impartial speaker Beverly Davis. Ken Wantzloebe himself, Student Council president for 1961-62, instructed students on the use of the county voting machines. And when the votes were all in and tabulated on the second day of elections, the announcement came—David Miller, the new Student Council president of 1962-63.

*"When we went to the election, then  
you turn the blue-red meter and the  
curtain will open. I hope."*

The 1934-35 year has been  
 a very successful one for the  
 school and the community.  
 The students have made  
 many achievements in their  
 studies and in their extracurricular  
 activities. The school has  
 been very fortunate in having  
 such a large number of  
 students who are interested  
 in their studies and in their  
 school. The school has been  
 very successful in its efforts  
 to provide a good education  
 for all its students.

## We Face the Music

During the past year we have had in the community a number of  
 "Fairs" presented by the Junior Club. The purpose of these fairs was to  
 raise money for the Junior Club.

# May Day

"Chuckwagon Day" is here!! Dismissed early from sixth period, students flock to the Pony Field to observe the annual review of Jefferson color groups.

After the brief parade, prominent San Antonio businessmen and school organizations make awards to individuals in each group for outstanding achievement. The air fills with cries of joy as the band major, majorettes, and cheerleaders are announced.

A barbecue dinner in the Cafeteria precedes the Lasso Play, this year a comedy "Pride and Prejudice." The play temporarily relieved tension in the audience, guests eagerly awaiting the announcement of Lasso officers for 1962-63.

"Gosh, Bev, will I ever get used to them?" Mary Lea Walters, Lasso Major for 1962-63, expresses doubt to ex-Major Beverly Davis as Beverly straps on the "bling" spurs, trademark of the Lasso officer.

*Billowy blue parachutes poofed over starry-eyed "strangers in paradise." As officers of the classes of 1962 and 1963 were introduced, crowds drifted to the stands to get a better view of the elaborate "Shangri-La, Land of Dreams," theme of the Junior-senior Prom held in the Gym on May 12.*

We stand tensely gripping our programs in the Municipal Auditorium basement waiting for the first strains of the processional. Some faces mirror sadness, others reflect eager anticipation. Inevitably, the line begins to move forward up the ramp and down the aisle past loved ones, friends, and teachers. Incidental split-second impressions, flashing memories encompassing years of living, and the overwhelming realization of new responsibility overtake us now. We offer a prayer for the future; we listen to Commencement proceedings. Backstage we live one last moment as students of Thomas Jefferson High School; then into the "spotlight circle," looking out at a sea of faces, we hear our names and receive that time-honored scroll, symbol of 12 years of effort. Later, the excitement dies away, and we can only wonder what the future holds for us.

"Hi! We brought loads of food. Where can we unpack?" Patty Prather, Ricky Gummer, and Nancy Nixon eagerly greet their classmates when arriving at the picnic in early spring.

More than a thousand of us crept timidly into the auditorium to be oriented early in September. We met school leaders, took a tour of the biggest school building we had ever seen, and went home scared but starry-eyed at the prospect of becoming Jeffites.

Our Get-acquainted Party in September gave us a chance to meet our class sponsor, Mrs. Evelyn Hanson, and many of our fellow sophomores. Singing, dancing, and skits by talented members of our class entertained us. Mr. Thomas Rust became a co-sponsor at mid-term. "We pass this way but once." This is the class motto we chose in December. The orchid is our class flower, and lavender and gold, our colors.

The annual sophomore dance in January was highlighted by the presentation of class officers and their dates. A fun-filled picnic in the spring completed our social calendar for the year.

# Blossoms and Birdcages in Oriental

*Contemplation is the key word in making a prom beautiful. At least, this is what Mike Gulley thinks as he ponders the question of where to put the trees. The only problem is Paul Hanson, Bob Gulley, and David Miller are left with the job of holding up the trees while Mike comes up with his decision.*

Soft hues of ming blue, an enchanted castle, and a fountain of youth all helped make the Junior-senior Prom a success. Plans for the prom began last summer. With the help of sponsors, Miss Florence Langford and Mr. Walter Helmers, preparations went on all year long.

Seventy-two juniors supported the Mustangs by membership in Lassos. Eight juniors lettered in football, fourteen in basketball, and twenty-six in track. Student Council claimed fourteen juniors, while forty-one were elected into the National Honor Society in the spring of the year.

The Junior Play, *Life With Father*, the Junior Picnic at Brackenridge Park, and the Christmas dance held in the Main Hall—all claimed a certain place in the hearts of those who attended. And so a school year of fun, work, excitement, joy and even sorrow officially closed May 30, 1962. But it left in its shadow a chain of memories for members of the Class of 1963.

*It's enough to strike terror in the stoutest heart—the horror of the last night of the student year at the Senior Carnival in the Gym. Leading the way through the spider patch are Tommy Murrah and Bobby Offinger. Following close behind are Wayne Brown and Bill Hamilton.*

Blue and silver are our class colors, the yellow rose our class flower. "A Proud Past, A Golden Present, A Future of Promise" is our motto. As sophomores, three years ago, we chose these when Tommy Murrah was class president.

Our school year continued as concentrating on the Junior-senior Prom with Donny Offinger, class president, heading up our efforts. Miss Julia Obermeyer began her second year as our sponsor but was joined by Mr. Lionel Gregory as cosponsor at the end of the year. In the class play, "The Admirable Crichton," we did our dramatic best. Forty-one of us were initiated into the National Honor Society. Other activities were our Christmas Dance, "Silver Bells," and a picnic at Brackenridge Park. "An Enchanted Evening" at the Junior-senior Prom ended the year.

Our senior year was over before we knew it. Royal blue robes hung in our closets and invitations announced our graduation to relatives and friends. A review of these eventful months are now a matter of record, mirrored in the 1962 *Memorial*. We do indeed look forward to "A Future of Promise."

# Lasso Twirling Makes Heads Spin

Foreign students visiting Jefferson discover that spinning a rope presents quite a problem, even to Lassos. Kay Haymaker lends

their enthusiasm and gratitude compensation enough for spending all morning under the broiling sun

# Reams of Themes Spoil Senior Dreams

Earl Floyd fights a battle with time. Ten reference books, a ream of paper and a dull pencil point are not much help in completing a senior theme on time. It's 2 A.M. and the deadline is 8:30. Will he make it?

# "S" Symbolizes Senior Scholarship

Seniors in the National Honor Society, elected in their junior year, conducted the induction ceremony for new members March 20. Solemn students listened intently to the speakers, but the quiet atmosphere ended with noisy congratulations in the halls and classrooms. # How 'Charming' of You in '62

"This clasp is soooooo tricky—I hope I have! Got it!" Dolores Lazzaro, Shakespeare president, presents the 'Ideal Lasso' award, a gold charm,

to Beverly Davis. It is the tradition of the club claiming the mayor as a member to present this gift to the Chuchuacon Day.

## No Strangers in Jr.-sr. Prom Paradise

Mr. and Mrs. Dan Zehr, Jr. and Mrs. Patricia Ann Zunker, Jr. are the newly crowned prom king and queen. They are surrounded by other prom couples. The prom was held at the Central High School gymnasium.

The first of the  
 four projects of the  
 school is the  
 school building  
 which is being  
 built on the  
 site of the old  
 school building  
 at the corner  
 of the street  
 and the school  
 building.

# Graduation Brings Tense Anticipation

'Nervous' and 'excited' are the words used by  
 students and faculty members as they wait  
 for the graduation ceremony.

'Stand quietly until I say so.' Class Day exercises are pre-  
 sented for the purpose of honoring and edifying our members.

Members of the English Honor Society presented "Men in Time" in the Auditorium to promote sales of their literary magazine, EACH HAS SPOKEN. The program included the introduction of staff members and the theme of the magazine.

Paper-back books went on sale in the Main Hall this year, an idea originated by the English Honor Society. Standing behind the table, the English Department Society members buy and sell books for supplementary classroom reading.

EACH HAS SPOKEN, a literary magazine, is a project of the English Honor Society. Formed in 1960 for outstanding juniors and seniors, the group explores the fields of grammar, creative writing, and good literature.

Paper-back books appropriate for a high school reading program were sold by Society members in the Main Hall this year to accommodate students needing such books.

Membership is limited to students having at least a "B" average and in the upper 5 per cent of their English classes.

Mrs. Cathryn Moore, member of the English Department, is sponsor.

## Quill and Scroll Includes Mag Editors

[illegible]

You shall know the truth and the truth shall make you free." This is the motto of the Quill and Scroll, international high school honor society for students. Staff members of the MONTHLY CELLO DECLARATION, and EACH HAS SPOKEN who are in the top 10 percent of the "B" average, and show outstanding journalistic ability are eligible for membership. New members are elected twice a year, in March and in June. Parents, faculty, and guest speakers attend the annual elections.

Social events of this year included a Christmas social at the ranch of Pat Patterson and a money raising project, a party for the Journalism Department, at which the guests had to pay to leave. The members also initiated the new members of the Sam Houston High School Quill and Scroll Club in February.

Mrs. Alma Petrich is the sponsor of the club.

## A black and white grid of 32 student portraits, arranged in four rows of eight. The students are dressed in formal attire typical of the mid-20th century. The portraits are arranged in a 4x8 grid. The first row contains eight portraits of students, mostly women with short, styled hair. The second row also contains eight portraits, with a mix of men and women. The third row features eight more portraits, including several men in suits. The fourth row concludes the grid with eight final portraits, including a man in a suit on the far left and several women. The overall style is formal and professional, characteristic of mid-century school yearbooks.

From sophomore orientation in August to elections in April, Jefferson's Student Council keeps moving

As secretary of the Texas Association of Student Councils, Jefferson hosted 2500 delegates to this year's convention in March

Members sell pom-poms; book covers; pencils; paper; notebooks; subscriptions to the yearbook, newspaper, and literary magazine; and parking permits. Publication of student directories is also a Student Council project.

Sponsorship ranges from pep rallies to the morning prayer. Teacher Appreciation Week in March is another Student Council idea.

Their Snowman's Ball is the social highlight of the winter, their victory dance arouse school spirit, and their picnic in May rounds out the school year

Mrs. Mary Elizabeth Taliaferro is the Council sponsor for her third year

Gary Klasing, Patsy Moyer, and other Student Council members are busily filling folders with bookcovers, name tags, meal tickets, and schedules for delegates to the T.A.S.C. convention held in March. The convention climaxed seven months of planning and hard work by the Student Council

# Councilors Chart Code of Conduct

Sh-h-h-h-h. don't be so loud!

Pick up that paper, please."

That's the way a library councilor often sounds on duty.

Early in September, fellow library students elect 48 juniors and seniors with a "C" or above average to the Library Council. Their main duties are to keep the library quiet and orderly and to help maintain the good repair of books and magazines.

After taking an oath of service at the Student Council Assembly for school leaders, members hold meetings during the second advisory period every other Thursday.

The sponsor is Mrs. Lynda McCutcheon, head of the library staff.

"J" is for Jefferson, "J" is for Jaspers, but in this case "J" is for joy. New and happy president is Angelina Dalmolin as she accepts responsibility for Jasper functions for the coming year. Mrs. Goerner pins the yellow mum on a proud new president

## Jaspers Are Jeff's 'Jewels'

Members of the Jasper Club are not only because of their social activities, but also because their club is named for a semi-precious stone. Club colors are blue and gold and are featured at dances, outings. The members, the smallest number of any social club, feel that their chances for having and appreciating each other are greater than in a larger club. Dances and banquets make up the social activities.

The entrance to Thomas Jefferson's home is displayed on the M.J.R. pin. The two pillars indicate strength, and the stairs and door lead to the future. Above the entrance is a star representing a guiding light, and in the middle of the star is a pearl for purity.

This quotation, explaining the M.J.R. pin, is a familiar sound at any Martha Jefferson Randolph Society initiation. The dinner dance at Oak Hills Country Club in May, the Mother-daughter Tea, and the M.J.R. play are other functions of this social organization. The main purpose of the club is expressed in its motto: Lasting friendship through sisterhood.

*"Dance with me, Henry" was the right song to play while new Hayne members were initiated by having to dance with one another. They had to take turns leading.*

"Jefferson, Jefferson, have no fear, for the Hayne Club boys are here!" is the cry of the Hayne club members as they support all Jefferson activities.

Hayne Club was established in 1892 at Main Avenue High School and is the oldest boys' club at Jefferson. The Hayne Club's purpose is to promote friendship and leadership at Jefferson. Activities include the Hayne Shadowland Dance, the Hayne-M.J.R. Box Supper, sponsoring victory dances, the outing, and supporting the Mustang teams in their bright red and blue Hayne shirts.

Mr. Louis Hutchinson is the sponsor of the Club.

How does spring come to Jefferson? In the Student Body. Pansies, hyacinths, tulips, and daffodils; they delight the eye and fill the air with their fragrance. Pink, yellow and purple tulips, cut to order, by Margaret Moore, Paula Rutledge and Kathy Hinkle, will fill administration offices and classrooms. These are the club members.

# Skeltons and Senators

The Martha Skelton Literary Society, organized in 1932 by its sponsor Mrs. Theresa Hicks, is named for Thomas Jefferson's beloved wife Martha. The Skelton Club pin, depicting a wolf's head, is taken from Martha Skelton's family crest. Requirements for entrance are a "B" average with no grade lower than a "C", a majority of the votes of the members, and approval of the sponsor.

Activities this year included candlelight initiation ceremonies in the fall and early spring; a closed dance in the Main Hall with their brother club, the Senate; and a breakfast at Lackland Officer's Club during the Christmas holidays.

Annual activities enjoyed by the Skeltons are the Senate-Skelton spring formal, a Tamalada given by Senate, and a luncheon honoring senior members at the Peraux Room in the St. Anthony Hotel.

Evidence of the sponsor's and members' interest in Jeff shows itself in the profusion of seasonal blossoms in their patio at the west front of the building.

A Senate-Skelton spring formal with elaborate decorations on a theme of outer space. Margaret Moore, Skelton president, and Dan Sharpe, Senate president, descend the stairway.

Although membership is open to the entire student body, the Press Club is comprised mostly of members of the school magazine, newspaper and yearbook staffs and beginning journalism students.

Now in its third year, the club promotes friendship and good will between publication staffs.

Members eager to make careers in the publication field receive valuable information from professional journalists who visit the club.

Two meetings, one business, the other social, are held every first and third Monday.

The Press Club is sponsored by Mrs. Alma Petrich.

Founded in 1953, the Candid Camera Club takes pictures for publications and other clubs and organizations. Membership is open to any student wishing to further his skill in taking, processing, and printing pictures. During meetings, every first and third Monday in room 128, members inspect and criticize their own pictures. They have special programs demonstrating the art of making good pictures from exposure to printing. Portrait sessions allow the members to try their theories and judge their progress. Money from the sale of their prints increases the club's treasury and is used to purchase improved equipment and supplies. Mr. Victor Weiss is the sponsor.

This is the motto of the Future Nurses of America, founded at Jefferson as part of Bi-Phy-Chem. In 1957 it became a separate club, affiliated with the Texas Association of Future Nurses.

Students interested in a career of nursing are welcome to join the club, the purpose of which is to help fill the urgent need for nurses and to interest other students in personal health and hygiene.

Activities stem from films, field trips to hospitals, discussions, and speakers, as well as regular meetings on the second and fourth Mondays of every month.

Inky fingers, smudged papers, and mistakes in typing and dictation are handicaps secretaries have to overcome. Future Business Leaders of America help members to overcome these handicaps so as to become better business leaders. To promote a better understanding of the business world, functions of the year include visits to the U.S.A.A. building and the Southwestern Bell Telephone Company. Held on the second and fourth Mondays, F.B.L.A. meetings feature guest speakers. Some have been representatives from the National Secretary Association, Ben Shaw Modeling Studio, and the Professional Women's Club.

One of the three vocational clubs at Jefferson, F.B.L.A. was granted a charter in 1953 to perform as a member of the National Organization of F.B.L.A. Members must have a "C" grade average or better and must be enrolled in a commercial class at Jefferson.

F.B.L.A. is sponsored by Mrs. Elizabeth Younger.

"Just in a few days I'll be operating an IBM machine like this," remarked a F.B.L.A. member on a tour of Southwestern Bell Telephone Company in December.

Students in French classes are eligible for membership in the French Club. A prospective member must have a desire to gain more knowledge about the people of France and their language. Guest speakers often make appearances for the benefit of club members. Visits to advanced language clinics are frequent, and an annual banquet adds the finishing touch to the year.

Jeffersonettes, an advanced group of girl vocalists, meet daily at second period. Composed of 50 members, the Jeffersonettes sing religious, classical, semi-classical, and novelty arrangements. Requirements for membership are a high C grade average or better and a solo audition before the director. Compulsory night rehearsals are held before performances. Functions of the year included programs at the Baptist Memorial Hospital, Barker Elementary School, Black and White Ball Reception, and an annual banquet to announce the officers of the coming year. At the Christmas Assembly the Jeffersonettes presented Benjamin Britten's "Ceremony of Carols."

Sponsor and director is Mr. Raymond Moses.

Seventy voices of the A Cappella Choir, bound together by their mutual love for music, provide listeners with compositions of a serious, religious or semi-classical nature. Members are boys and girls outstanding in the field of vocal music, personally selected to sing in this choir by their director, Mr. Raymond Moses. Organized in 1946, the choir upholds Jefferson's reputation for superior music from vocal groups. They perform at school assemblies and at events throughout the state.

*A Cappella Choir members add their voices to the strings and woodwinds of the San Antonio Youth Symphony Concert given in January in the Jefferson Auditorium. Proceeds helped finance the trip to Dallas for the All-state Chorus Concert.*

Student in the front row of the assembly. Students show their awareness and appreciation of the orchestra with enthusiastic ovations.

## Star-studded!

That's the adjective applied to the Jefferson Orchestra by Mr. Lewis Doll, director of music in the San Antonio Independent School District.

Of the 63 members, comprising one of the largest high school orchestras in Texas, 11 placed in All-state Orchestra and 31 belong to the San Antonio Youth Symphony, named Honor Orchestra of the year by the Texas Musical Educators' Association. Several of these talented musicians have received music scholarships and special awards.

During the course of the year, the Orchestra has played for the Fredericksburg Music Club, school assemblies, and various civic functions, including Lions and Optimist banquets.

The success of the Orchestra is a result of broad interest and professional background, both in training and in experience, and a dedication to youth and fine music, states Mr. Doll in paying tribute to Mr. Raymond Moses, Orchestra director.

Standing ovations by the student body on a number of occasions reflect the popularity of this group with fellow students.

## o Mustang Band's Performances

# Ball Games, Bus Trips, and

The Mustang Band poses from the Mustang Band members under their team, Little the Hager Mules. Mr. Arthur Armitage is president of the band. The band is a very active group and often performs at Band assemblies.

Precision marching, spirited playing, and skillful interpretations of the many moods of band music typify the Mustang Band in the stadium and on the concert stage. Colorful uniforms of red, white, and blue set the mood for school spirit during half times as Band members form patterns on the football field. Competing for state honors, the Band won First Division in Interscholastic League for concert and inspection. Also 54 first places went to members in solo and ensemble contests. For student-conducting, Gary Klasing won first and Rick Dillard second. Marion Means won the John Philip Sousa Band Award for outstanding achievements and interest in instrumental music. Ronny Marquette went to state for drum competition. Gene Smith and Jerry Barnett completed area honors. Represented in All-district were Gilbert Terence, Paul Rutledge, Bruce Omura, and Rick Dillard.

Mustang Band marched in the Rodeo and Battle of Flowers parades. Activities of the year included the Mexican Supper, presentation of the Spring Concert, the Senior Banquet, a skating party, and the Band picnic.

Mr. Richard Kide is director and sponsor of the Mustang Band.

With the dream of wearing the vivid red, blue, and white Mustang Band uniforms, Pony and Colt bands work to increase their musical abilities for a position in the First Division band. Mr. Richard Kole, director, gives lessons at regular class periods to those trying to meet the requirements of spring tryouts for the Mustang Band.

Pony Band members fill in for absentees and vacancies in the Mustang Band. They also participate in Mustang Band social activities.

Colt Band beginning students learn the technique and fundamentals of music.

Mrs. Ermine Armstrong, president of the Band Parents' Association, is an assistant to Mr. Kole. She comes every day to help him collect and issue "A" Band uniforms, collect bus fares and instrument insurance fees. She handles all Band correspondence. For this she receives no pay but the gratitude of all the Band members.

Members of the Colt Band are FIRST ROW (l-r) Agnes Ochoa, Daria Leos, Marcelino Villarreal, Manuel Flores, Alvin McCoy, SECOND ROW Ernest Rodriguez, [unclear], Richard Kennell, Robert Frisby, THIRD ROW Floyd Johnson, Ronnie Reed, and Mary Richstatter.

"Howdy, you all!". Tom Jones gives a great welcome to new Jelfites at the Get-acquainted Dance. Wranglers sponsor this annual event where everyone has fun getting to know every one else.

"Yipee!!!" yell the "cowpokes." "Quiet!!" yells the deputy and blows his whistle. Along comes the bounty hunter, collects the dues, and the foreman bangs his gavel and begins the round-up.

When you enter Wrangler territory, you find the cowpokes busy with their chores. Helping teachers during registration, showing films for classes and clubs, operating the Pony scoreboard on the football practice field, and keeping the golf greens on the campus well trimmed and rolled are many of the services rendered by this well-bred organization.

Wranglers sponsor the annual Get-acquainted Dance at the beginning of the year.

Sponsors are Mr. Maurice Turner and Mr. Harold Tillman.

Waving pom-poms from the bleachers or twirling ropes during early morning practice, Lassos set the pace for school spirit. Vibrant red, white, and blue uniforms catch the spotlight during halftimes as the Lassos perform on the football fields. New Lassos are chosen on the basis of recommendation by the faculty, school attendance, and dependability. Requirements also include at least a "C" average for juniors and a "B" average with no failing grades for sophomores.

# Rifle Team Score Highest

Three first-place trophies came back with the Jefferson Rifle Team from Arlington State College High School Rifle Competition in March. The six-man squad outshot a field of 48 other R.O.T.C. and N.D.C.C. units in the five-state Fourth Army area. Scoring 941 hits out of a possible score of 1000, the team finished two shots ahead of Arlington Heights of Fort Worth, the defending champions. Lynn Carpenter and Frederick Wiegand won scoring crowns in individual competition. This is the first time any San Antonio school has won the tournament. Returning to the team next year will be Robert Gragg, Frederick Wiegand, and Phil Freeman.

High rating and honors received by the Jefferson R.O.T.C. result from cooperation of all the men in the brigade, from private to colonel. Leadership, honor, and dependability are qualities stressed by the corps. Training received while in this organization helps prepare the cadet for his later service career.

Four companies constitute the Jefferson Reserve Officers Training Corps. First and Second Battle groups, Color Guard, Brigade Staff, First and Second Drill teams, and the Rifle Team are composed of boys from these companies.

Revenue from a dance for R.O.T.C. parents and patrons paid the Drill Team's transportation to Laredo for participation in competition and the George Washington Birthday Parade. Payment for painting the armory is another parents' project. The

Cadet, a 48-page yearbook of the Corps activities, was the second annual publication of this type put out by the 205 Corps members and their parents.

*OK*

That hieroglyphic means that a double page layout, written copy, an activity picture, or an ad page has the final approval of the many, many people involved in the printing of every page of the MONTICELLO. The section editors, the assistants, copy writers, photographers, and finally the editor-in-chief have rewritten copy and remade pictures until the record of the school year is as nearly perfect as they can make it. Then comes Mrs. Petrich's OK which means that the copy can go to the publisher. Meantime, back in the business office, the manager and his assistants plan subscription campaigns, sell advertising, collect and keep records of the thousands of dollars involved in publishing the MONTICELLO. One result to be hoped for is the continued enthusiastic acceptance of the yearbook, distributed during the summer to allow for full coverage of a year at Jefferson. A secondary consideration is the opinion of the critical services of leading universities which in past years, have given top awards to the MONTICELLO.

MacARTHUR—6

Northeast Field: October 6—Jefferson opened its 1961 District 15-AAAA football season with a 42-6 victory over the MacArthur Brahmas. Tom Noren hit the paydirt for Jeff's first touchdown. From then on the Mustangs scored in every quarter. Quarterback Donny Oefinger raced 39 yards, tallying a TD. He passed to End Larry Barnebey for another. Jimmy Jones dashed up the middle from the 8, adding another touchdown. Bobby Lee, John Luna, Jimmy Jones, and Donny Oefinger made points after touchdowns. Fullback Phil Harris carried the ball for 2 TD's and picked up 197 yards on 19 carries.

# Jeff Cages Spirited Bears

Flinding the Edison Bear trip, Larry Barnebey takes a punt from Phil Harris to make the winning touchdown.

JEFFERSON—14

EDISON—7

Alamo Stadium: October 27—The Mustangs came closer to the District 15-AAAA championship by squeezing past a pack of fired-up Bears by a touchdown. Jeff fumbled on their 24, and Edison took advantage of the miscue to score. The 2nd quarter saw all the scoring for Jeff. Phil Harris returned an Edison punt 79 yards for a touchdown after getting a key block from Jimmy Jones. Late in the same quarter Donny Oefinger intercepted an Edison pass on the 42 and returned it to the 15. Four plays later Harris threw a short running pass that Larry Barnebey nabbed in the end zone. Bobby Lee converted after both touchdowns.

JEFFERSON—34 ALAMO HEIGHTS—0

Alamo Stadium: November 4—The Mustangs corralled the Alamo Heights Mules for their 3rd straight district victory, stampeding the Mules by a score of 34-0. This was Heights 12th consecutive loss to the Hosses. Both Harris and Nolen ripped through the Heights line for touchdowns and Lee scampered around left end for another tally. Lee, the golden-toe boy, booted 4 out of 5 extra points. The stubborn Jeff defense led by Larry Barnebey, Tom Nobis, and Tom Murrah wouldn't let the Mules romp into scoring range.

JEFFERSON—34

HARLANDALE—0

Harlandale Stadium: November 10—Leading only 7-0 at the half, the Jefferson Mustangs ignited for 4 touchdowns in the last 2 periods to break the Harlandale Indians, 34-0. Phil Harris scored the only touchdown of the 1st half on an 81-yard return of the opening kickoff. Tom Nolen, Jimmy Jones, and Lemuel Cook joined Harris in the last-half scoring parade. The Indians threatened Jeff's goal only twice, and the bruising Mustang line play kept the potent Redskins scoreless. Bobby Lee converted on 4 out of 5 points after touchdowns. Harris also led the team in rushing with 88 yards in 11 carries, and scored 2 touchdowns.

JEFFERSON—35

HIGHLANDS—0

Alamo Stadium: November 18—"V-I-C-T-O-R-Y" echoed throughout the stadium as the Mighty Mustangs sent the Highlands Owls screeching back to tree tops. The district title was Coach Pat Shannon's 6th victory out of 7 teams he has coached since coming to Jefferson.

Jeff regulars played only 1 series of downs after the half before the reserves took over. Hardy Sides' 21-yard run paved the way for Gene Mangum's touchdown. Jefferson's tough defense shown by David Sims and Charles Embrey held the Owls to only 3 first downs.

BRACKENRIDGE—7

Alamo Stadium November 24—Jefferson advanced into state playoffs by mauling the Brackenridge Eagles 41-7. Brackenridge, with high spirits and seeking revenge, cried, "The South will rise again!" The small but scrappy Eagles found the going too tough. Warren McVea, their leading ball carrier, was completely bottled up by the rugged Ponies. Phil Harris was the ground gainer for Jeff with 70 yards gained on 2 carries. The methodical Mustangs racked up a quick touchdown after taking the opening kick off on their own 19 yard line. Donny Outinger started the scoring by making the first 2 TD's. Jimmy Jones, Bobby Lee, Tom Nolen, and Lenuel Cook tallied the remaining touchdowns.

RAY—26

Corpus Christi: December 2—Using an alert defense and taking advantage of every opportunity, the W. B. Ray Texans clipped the Mighty Mustangs 26-7 in quarter-final competition. Pass interceptions spelled tragedy for the Mustangs. The Texans held a 4-touchdown lead when the 1st half ended. In the 2nd half the Hosses had several drives halted and did not score until the 4th period. Donny Oefinger hit Tom Nobis with a 10-yard scoring pass. The Mustang defense kept the potent Texan offense well in check. Phil Harris led the team in rushing with 64 yards in 13 carries.

## Edison

52-67

Alamo Stadium Gym January 8

Making the 1st basket of the game did not help pave the way for a Mustang victory over Edison. Chances diminished with each Bear loop and the game ended 67-52. Trailing at the end of the 1st half 35-27, the Hosses couldn't cut the lead but stayed close until the Bruins pulled away in the 3rd quarter. High scorer for Jeff was Bruce Miller with 13 points.

## Harlandale

43-65

Alamo Stadium Gym January 5

Jefferson's roundball association opened its District 15-AAAA campaign with the Harlandale Indians. Too powerful for the Mustangs, the Indians scalped the home team 65 to 43 behind a balanced scoring attack led by Dickie Franz. The Mustangs played well until the Redskins hit the warpath and took control later in the game. Bruce Miller set the scoring for the Mustangs with 10 points, followed closely by Gary Stroth with 8.

## MacArthur

62-56

MacArthur Gym: January 12

The Mustangs took the MacArthur Brahmas out to pasture with a 62-56 victory. A smooth combination of Bruce Miller and Gary Stroth proved to be too much for the Brahmas to cope with. Leading 28-15 at the half, the Hosses were never threatened. Miller ended the game with 31 points, and Stroth finished with 15.

## Highlands

51-67

Alamo Stadium Gym: January 15

Hot shooting in the 2nd half by Richard Englebert and Dale Fincke helped Highlands Owls trip the Mustangs 67 to 51. Using a solid defense, the Hosses held a 31-26 lead at the end of the 1st half. Gary Stroth and Bruce Miller tallied 18 and 17 points to keep the Mustangs in the game until midway of the 3rd quarter. It was a heart-breaking defeat for the hard-playing Ponies.

# Alamo Heights

59-53

Alamo Stadium Gym: January 19

Lettersen cleared the Alamo Heights hurdle with a 59-53 triumph. With an 8-point lead at half-time, the Mustangs returned to the hardwood to dominate the final half and wrap up the game. Bruce Miller, the Mustang leading scorer, tossed 18 points while Gary Stroth and Robert Chankin had 13 points each.

Bobby Gott fires a jump shot toward the hoop in his point cutting Edison's lead.

# Edison

53-67

Alamo Stadium Gym: January 8

An explosion of baskets by Edison in the 2nd quarter erased a temporary Jeff lead, as the Bears edged the Mustangs 67-53. The end of the 1st half found the Bears leading 35-29. The Mustangs fought back in the 3rd quarter to close the gap to 2 points but could not get any nearer. High man for the Mustangs was Gary Stroth with 15 points.

# Alamo Heights

61-48

Alamo Stadium Gym: February 2—

Led by the 27-point performance of Bruce Miller, the Mustangs defeated the Alamo Heights Mules 61-48. The Hosses used a blend of power and speed to gain a 34-20 lead at the end of the 1st half. In the last half the Mustangs controlled the ball and kept the Mules from coming back. Gary Stroth and Jerry Few were runners-up for the Ponies with 8 points each.

# MacArthur

54-49

Alamo Stadium Gym: January 22—

In a well-fought game the Mustangs nipped the MacArthur Brahmas 54-49. The Ponies held a sizable advantage until the 4th quarter when a full-court press by the Brahmas shortened the gap. The 1st half was controlled by the Hosses and it ended in their favor, 30-27. Gary Stroth scored 19 points to lead the Mustangs.

# Harlandale

58-49

Harlandale Gym: February 6—

The revenge-hungry Mustangs gobbled up the Harlandale Indians 58-49 to atone for their earlier defeat at the hands of the Redmen. The score stood 26-26 at halftime, but during the 3rd quarter, the Hosses pulled away to victory. Harlandale's defeat was the first district loss on their own court in 2 years. Bruce Miller turned in one of his finest performances all season as he stuffed in 30 points to lead the Mustang scorers. Dickie Franz was top man on the Indian totem pole with 29.

High-flying Bruce Miller fakes out his opponent as he tosses the ball to Gary Froth.

George C. C. sends the point back in the 11th round game.

# Highlands

47-60

Alamo Stadium Gym: February 8

'Upset'-minded Mustangs fell prey to the Highlands Owls 60-47 in a game fought on even terms until late in the 3rd quarter. The 1st half ended in a 27-27 tie and was marked by the excellent play of both teams. The Owls were able to control the game in the 2nd half, and this was the principle factor in their victory. Bruce Miller scored 13 points to lead the Hosses. Jerry Few was 2nd with 11.

## Ponies Capture Alamo Championship

Strengthened by experienced and hard-hitting juniors, the Jefferson Ponies had a perfect season winning the Alamo League Championship. A smooth backfield featuring Grady Eggleston and Art Toscano, operated behind the protection of an agile line. Heading the line were Jack Eisenhart and Mike Gully. Other outstanding players were Marshall Hedge, Bob Gully, Mike McGill, Bill Robinson, and Johnny Branback along the line duties. Backfield men Arne Britt, Bob Stanley, Mike Claypool, and Floyd Wilborn did creditable jobs of carrying the ball. Grady Eggleston led the running game by gaining 795 yards and scoring 10 times. Jack Eisenhart displayed upper extremities that could hold onto anything the quarterback threw near him. A favorite play, one that always kept the opposition awake, was a short, snappy pass from Toscano to Eisenhart that gained 8 and 10 yards at a time. Mr. Gerald Ivatts ended his first year as Pony coach with the team's first city crown since 1925. His fine coaching and the boys' hard work help build Mustangs for future years.

## Ponies - Kings of the Courts

Losing only 2 games to rival squads, the Ponies proved to be a training medium for next year's Mustangs. Mainstays of the team were Ray Richter, Jim Nelson, Ricky Biel, Jack Eisenhart, David Miller, and Dan Knauf. Under the coaching of Mr. James Heiser, the combination of a smooth first team with a strong bench enabled the Ponies to capture the city championship.

The newly formed Sophomore Mustangs crushed all opposition the city could offer. Playing a 7-game schedule, hard hitting linemen John Luna, Rusty Daughtry and Larry Max did a commendable job blocking for swift runners James Jefferson, Hardy Sides, and David Damerall.

The Sophomore Mustangs, coached by Mr. Ken Kelley, were formed to give boys a year of experience by playing against other outstanding sophs. These boys may play on the Mustangs anytime during the season but may participate in only one game per week. Sophomores are eligible to play on the Ponies, Sophomore Mustangs, or the varsity but are placed on one team or the other by the coaches.

Although the Jefferson thinly clad did not win the district title, there were many fine performances. Eight boys qualified for regional and five went to state. This team was possibly the best Coach Ken Kelley has produced. However, Highlands, with several outstanding individuals, grabbed the spotlight leaving Jeff in second place.

The sprint relay, composed of James Jefferson, Bobby Lee, Phil Harris, and Bo Sturdivant broke the

school record and qualified for the state meet by running a 42.8. Arthur Rodriguez ran a 1.59 half-mile in the Regional Meet to advance to state. Gene Mangum performed brilliantly, vaulting with the fiberglass-pole the Lassos bought him. Weightmen Dick Cunningham, David Sims, and Charles Jackson put the shot and threw the discus to give the team points in the field events.

## Fairway Boys Make Good

Jefferson's linksters left an impressive record for the '62 campaign. The Mustang Golf Team, coached by Mr. Weldon Hastings, captured a 1st place in the Brady Golf Tournament and 3rd places in the Border Olympics and the Corpus Christi Invitational Tournament. The Hosses finished 2nd in district and were entitled to compete in the regional meet. In the Region IV Meet the Ponies lassoed a 2nd place, finishing behind the Mules of Alamo Heights. Losing only 3 men from the 1st 2 teams, the Mustangs will present strong contention for the '63 season.

The sports editor asked for an unusual picture of Coach Charles Tedford. This is it. The tennis balls are placed to attract your attention. We succeeded, didn't we?

Always a powerhouse in District 15-AAAA, the tennis squad took the district crown once again. Singles victories by Chip Massey and Becky Ortiz in the District meet at San Pedro Park advanced them to Regional meet, where Chip was runner-up for boys' singles title. The squad brought home trophies from the Hearts' Delight Tournament at Falfurrias and from the Corpus Christi Invitational Meet.

Chip Massey, Andy De Leon, juniors, and Byron Tankersley, sophomore, will be the main strength of next year's boys' team. Senior Becky Ortiz turned in a fine performance and junior Sharon Gaskill will try to take up the slack in '63.

# They Help the Hosses

To function properly, every team needs a workhorse to do the odd jobs. The team manager is schooled in first aid and is responsible for the maintenance of equipment. Being the coaches' right-hand man, the manager has to keep up with the rosters and other information concerning the players. He forms a vital link in the chain of victory.

Football managers are Mike Norris, Richard Martin, and Aaron Roberts. Soccer managers Richard Fite and Jeff Morrison are not pictured.

Basketball managers for the '61-'62 season were Ray Lovelace and Mike Sauer.

## Tri-Hi-Y for Fun and Philanthropy

Selling candy to support M.C.A. programs is one project of the Alpha Delta chapter of Tri-Hi-Y. Other activities include monthly church attendance as a group, a cake sale, a formal initiation, and hay rides. Organized as a branch of the Y.M.C.A., Tri-Hi-Y acts to extend service and religion in the community. A special project of the year was visiting the Southton Convalescent Home once each month.

## Parties, Projects for Jeff Tri-Hi-Y

Cake sales, car washes, a retreat to Circle R Ranch, the annual trip to Ella Austin Orphanage, representation at Youth and Government, and parties filled the year for the Jefferson Tri-Hi-Y. Main purposes of the organization are providing parties for orphans at Ella Austin and fundraising drives to support various local charities.

# The Chain of Jefferson

And down the slope, the garden

With its large, green, leafy plants

And the small, white, daisy-like flowers

That grow in the garden

Rolling lawns, winding walks,

Stately, stately, stately

Tall trees, and fluttering flags,

With the stately, stately

Where teachers lecture, give tests

And advice, seeking to inform the inquisitive mind.

And the stately, stately

And in three stately, stately

Linda -  
Remember good  
times - stay crazy.  
Here's luck with the  
guys, not that you need  
any. Be good -  
Always  
Lana '62  
Mullen

Howdy!  
Lotsa luck to  
a real sweet gal  
good luck with ol'  
Dad!

Love Nya!  
ME.

Linda,  
It's been great  
knowing you at  
Jeff sweetie. Let's  
keep in touch.  
Love,  
Linda

Linda,  
Lots of luck in  
everything (\*\*\*)  
you know. You are a  
real cute girl

Love ya,  
Joyce

But wishes to a  
real sweet girl,  
George Munn

We had lots of in  
the group but that's  
all over with.  
Love  
Nora

Sinda,  
It has really been  
great knowing you.  
Best of luck in all  
you do.

Best wishes  
Mike Kelley
